Caffeinated Designs - Sue Heinz

Welcome! So glad you are joining me for a day of learning and laughter. Class Supply List:

- 0.7mm mechanical pencil (like the Bic brand found at Target or Walmart) and a ballpoint pen, each with a comfort grip.
 - Several sheets of unlined paper (20# bond computer printer paper works great), for notes and one or two drawings.
 - A \$5.00 handout/materials fee will be collected in class. The fee includes a multi-page handout of designs, a pre-lined drawing tablet and an oversized, pre-gridded sheet of paper. For collection ease, please pay with a \$5 dollar bill, if at all possible.
- Have questions? I'm here! Contact me via my website, SueHeinz.com.
